

Greetings friends and patients!

When the holidays come around, there are multiple reasons to look your best. Along with seeing family and friends for the first time in months, you know there will be plenty of pictures to pose for. The question is - do you want to regret your appearance or flaunt it with confidence? Instead of feeling self-conscious about a facial blemish, you can leave the room hearing, "Wow, didn't she look great?"

For anyone looking to enhance their appearance in a short amount of time, skin rejuvenation is the answer. No matter if you suffer from wrinkles, scars, pigmentation issues, or loss of skin tone, skin rejuvenation will hit the "refresh" button on your skin tone and make your beauty the hot topic of conversation for the holidays.

Providing a chance to experience this transformation at a discounted price, The Wellness & Aesthetics Medical Center is offering a **\$350 value chemical peel for \$100** to the **First 12** people to sign-up for the **"Get Your Skin Ready for the Holidays"** promotion on Wednesday, Thursday and Friday, **November 9th, 10th and 11th**. Walk-ins and phone calls will both be accepted, those who make the list will be treated to a **Jessner + TCA Peel**. Available as a lunch-time peel or much deeper, the **Jessner + TCA Peel** is a combination of two effective procedures in one.

As with most peels, the amount of layers applied will affect the depth and recovery time of the process. Although two methods are being combined, the **Jessner + TCA Peel** is still considered a light-medium depth peel. After a thorough facial cleansing, your beauty professional will apply the Jessner's solution to open up your skin. Once your skin appears ready to effectively receive the TCA, your beauty professional will apply the amount of TCA coats you have chosen. Once the process has completed, you will be treated to a cold compress and will be instructed on your individual recovery plan.

The Wellness & Aesthetics Medical Center also sells multiple top-quality skin care products to treat your skin afterward. Stop by our location at 19016 Stone Oak Parkway, Suite 240, San Antonio, TX 78258 or [visit our products page](#).

This list will definitely fill up fast! Stop in or call right now to earn a **\$350 value**

chemical peel for \$100!
